

# A CHRISTMAS GIFT

The Victrola is a gift for every member of the family every day in the year. Think of the enjoyment to be gotten out of hearing the world's best artists, sing and play, any time you want. If the world recognizes an artist as the best, you will find his

or her record in the Victrola line exclusively. If you wish to give a gift that will give pleasure for years don't overlook the Victrola. After that you need never worry what to give, because a record or two will always be appreciated.

If a Victrola is in the house already, let us show you our Jewelry line. I can say with pardonable pride that it is best up-to-the-minute stock ever offered in Celina.

Our prices are very reasonable; the treatment, while our guests, is the very best.

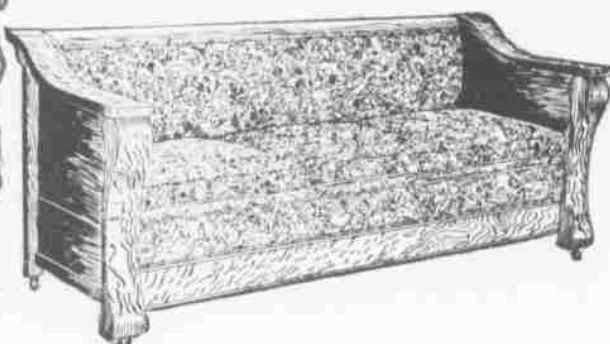

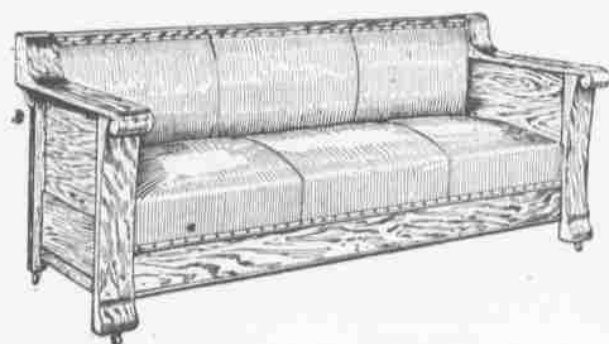

We do not need to use high-powered salesmanship, for our goods, together with the price, sells itself. A visit to this busy little store will prove that it is the gift-maker's opportunity.
